SUZANNE AUBERT CELEBRATION DAY—4th October 2020

Suzanne Aubert Celebration day will be celebrated on this Sunday October 4, which is the first Sunday in October closest to the anniversary of her death (1st October 1926).

The purpose of this important national day of celebration is promote and celebrate the spirituality and good works of Venerable Suzanne Aubert to as many people as possible. And in doing so, our hope is that as more people learn of this amazing missionary woman who came to New Zealand at the age of 25 and made this country her own, will be inspired by what she did and what she achieved. It also provides all Catholics the opportunity to commit to praying that the church will soon recognise this remarkable woman of great faith, as a Saint.

This is an amazing opportunity to better inform all of who Suzanne Aubert was and all that she did.

Be informed about the End of Life Choice Act Referendum:

- The Act only requires a doctor to “do their best to ensure that the person expresses their wish free from pressure.” However, the Act fails to outline how this happens. Doctors are not trained to detect coercion and are further limited in their ability to detect coercion because, unlike the Netherlands, they cannot interview others without the patient’s permission.
- Requests for an assisted death are often motivated by depression, something that is also extremely difficult to detect. There is no mandatory screening for depression in the Act.
- In the Netherlands and Belgium, disabled people and people who are mentally ill were not initially eligible. However, assisted death is now offered to people with mental illnesses and dementia, and to disabled people. The same changes will likely happen here.

The EOLC Act is badly drafted and seriously flawed. Whatever one’s views about the idea of euthanasia, it is not ‘compassion’ to vote for a dangerous law.
