Notes

Additional Psalms or Hymns or may be requested for inclusion in this repertoire. Please email your recommendation to National Liturgy Office; [National Liturgy Office](#). See #59, Directory of Liturgical Music for the necessary information.

In the liturgy, it is our priority to 'sing the Mass.' In addition, hymns can be sung. Column 4 suggests where a hymn could be used in the Mass, (gathering, procession of gifts, during or after communion, song of farewell (when the coffin is blessed and sprinkled with water) and song to accompany the procession from the church). It is not necessary to have a hymn in each of these places; priority should be given to the Gathering and Communion hymns. A psalm follows the first reading, but psalms can also be sung at other times during the Mass.
